Want to be a Sponsor? Email to the address above for Level Information and a Sponsor Sheet!!

Longview Child Development Center has provided quality childcare for low-income families and their children for over 35 years. Parents must be working or continuing education, including job training programs, to be eligible for services. At LCDC, it is our mission to provide educational opportunities that will prepare children to successfully enter the public school system at all stages of development.

LCDC is a non-profit childcare facility and your support is vital to our mission. Proceeds raised will assist us with providing much needed facility improvements.
