Dear Friend,

Longview Child Development Center's **2023 Pickleball Brawl** needs sponsors! We would like for this to become a regular fundraising event for our school and this, our second tournament, will assist us with facility improvements that are desperately needed.

LCDC has been serving low-income families in South Longview for over 40 years. This year's Pickleball Brawl, a fun and competitive event at Guthrie Park on Saturday, September 16th & Sunday, September 17th, is not only to raise funds for our school, but to help spread the word about who we are and what we do! We need your help. Please consider being a sponsor for this exciting new event.

Your tax-deductible donation will make a difference in the lives of so many!

Each day the doors open at Longview Child Development Center (LCDC) to help **break the cycle of poverty** by providing an academically challenging preschool education. We offer affordable childcare to low income, hard-working families, empowering hundreds of individuals to be self-sufficient, productive, and contributing citizens in our community.

To support their families, they need to work and in order to work, they need reliable childcare.

The children of Longview and surrounding areas deserve a positive and safe learning environment. Government assistance through welfare or leaving children with relatives or neighbors often result in unreliable childcare or neglectful supervision, nutrition, and education. **Let's break this cycle.**

PICKLEBALL BRAWL

LCDC needs YOUR support TODAY to continue the services necessary to keep:

- Nearly 90 families securely in the workforce
- 95 children, ages 12 months to 5 years nurtured, fed, educated, and protected
- 16 staff members gainfully employed, well trained, and highly respected

Want to make a difference in our community? Please complete the form on the back of this page!

If you have any questions, please do not hesitate to contact the Board President, Stephanie Adams at: LCDCPresident@gmail.com or at: info@longviewcdc.com

September 16 & 17, 2023
